EDUCATION

Akal University, Talwandi Sabo
B.Tech (Hons.) Data Science

2023 – Present
CGPA: 9.0

M S Public School, CBSE
Senior Secondary (12th)

2023

M S Public School, CBSE
Secondary (10th)

2021

SKILLS

- **Programming Languages:** C, C++, Python, Java, PHP
- **Web Tech:** HTML, CSS, JavaScript
- **Machine Learning:** Regression, Naive Bayes, SVM, Random Forest
- **CS Fundamentals:** Operating System, DBMS, Computer Networks, Data Structures, Algorithms, Cyber Security
- **Development Tools & Technologies:** Git, GitHub, VS Code, Jupyter Notebook, Docker, Android Studio, Figma, Power BI, Microsoft Office, Canva
- **Others:** Problem Solving, Linux Commands, MySQL, Leadership Skills

PROJECTS

Seating Planner Web App

[Source Code](#)

- Automated seating arrangement system using Python
- Reduced manual errors and improved efficiency

Spam Message Detection System

- Built using Python (Tkinter GUI)
- Implemented Logistic Regression, Naive Bayes, SVM, Random Forest
- Used TF-IDF for text preprocessing

Club Management System

[Source Code](#)

- Role-based system (admin, leader, student)
- Managed events, approvals, and participation
- Improved workflow efficiency

POSITIONS OF RESPONSIBILITY

- **Leader - CodeForge Coding Club:** Led team of 60+ students and organized technical events
- **Class Representative:** Managed communication between students and faculty

ACHIEVEMENTS

- Presented research paper at CISTM-2025
- Designed 50+ posters using Canva

- Designed the official Souvenir and Abstract Book for IEEE CI2A-2026 Conference

CERTIFICATIONS

- Python, C, C++ – IIT Bombay
- Python Certification – Reliance Foundation
- Ethical AI and RAG (2025)
